

Slingco LD Pulling Grip

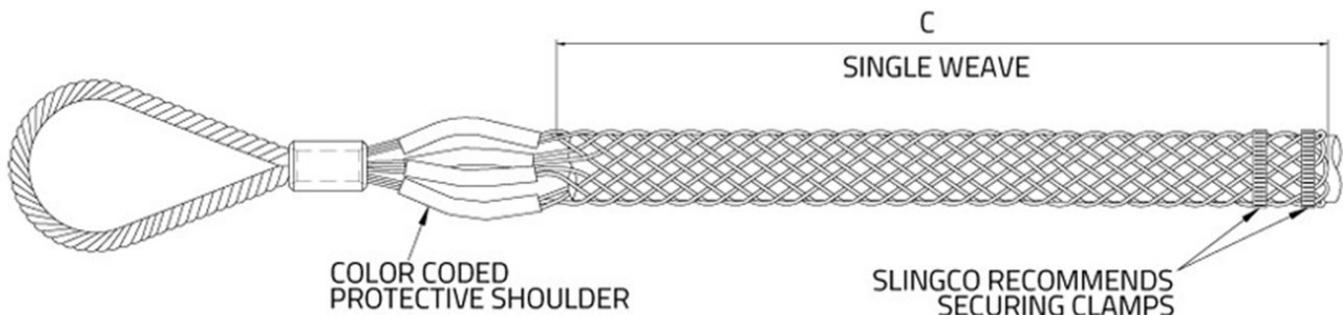

Light Duty Pulling Grips

Key Features

- Single-weave construction
- Colour coded for ease of identification
- Protective shoulders to prevent abrasion
- Suitable for bare or insulated conductors
- Flexible eye compatible with Line swivels

Part of the Slingco range of conductor grips, made up of the HD, MD and LD type that are quick and easy to attach and remove, in sizes from 8mm to 48mm, with MBL up to 24,000kgs and WLL 8,000kg. Made of galvanised steel. The flexible eye connects with Slingco line pulling swivels for trouble-free pulling applications. They are suitable for all common conductors, e.g. Horse, Lynx, Upas, Zebra and Araucaria plus earth wires OPGW.
